<p>Goal B3: Expand the range and variety of curricular and co-curricular opportunities for students.</p> <p>B3.1 Evaluate existing provision and generate ideas for expansion</p>	<p>The committee decided that surveys and focus groups would be the best ways to evaluate the existing curriculum. We reviewed student, parent, and teacher surveys that were given before the initial WASC visit and then made modifications and deletions accordingly. We concentrated on questions specifically about the current academics and extra curricular programs. A student focus group was held on May 4th with 14 members of student council. Student, teacher, and parent surveys were created and will be distributed before the end of the school year.</p>	<ul style="list-style-type: none"> - Meeting minutes. - Results of the focus group and surveys.
